## *Tidings from your Rector*

### **Summertime Greetings from Rev. Janet**

I want to tell you about a couple of special events happening this summer that I am involved in.

#### **A Vigil for Victims of Violence**

*Saturday, July 16<sup>th</sup>, 1:00-3:00, Cape Charles Park*

This first-ever event is meant to support and comfort those whose lives have been torn apart by violence. It is a joint effort organized by the Sheriff's Office and a group of local clergy. Among other recognitions: Bells will toll for those who have died. Stories will be shared of those who have lost loved ones. A prayer wall will be on hand to post names of those we can pray for. There will be music, placards, armbands, a brief silent walk around the park, an address by the sheriff, clergy prayers.

We are intertwined as a community. No one who lives in any town can say they are unaffected by crime and violence. When one person is hurt, we all feel it, when one perpetrator is caught and brought to justice, we all feel it. The effects of violence on our community are especially harsh on families, police officers, pastors, health providers. Hopefully added awareness and solidarity will be a side product of the event.

The second event was rained out last year, so we are trying again. **It is called: Sunday of Hope and will be August 28<sup>th</sup> at Cheriton United Methodist Church in the afternoon.**

This event to honor all those who suffered from or now are living with cancer. Luminaria will fill the place in memory of those who have died. I hope many of you will join me in these special community solidarity events.

Have a great Summer, See you in Church,  
Rev. Janet ✝

## OUTREACH COMMITTEE

The Outreach Committee has a few exciting projects in the works, and we hope you'll want to participate.

We are planning to conduct a simple worship service at Nassawadox Rehabilitation

and Nursing (the facility formerly known as "Heritage Hall"). Our first service will be on **Wednesday, July 20<sup>th</sup> at 2 pm.** We're committing ourselves to three services over three months, and expect to learn and fine-tune as we go. Tom Wescott may be providing some guitar leadership with the hymn singing, and Natashya Freund will be lending her voice. There are ways for everyone who's interested to have a role. *If you'd like to participate, please come* – we'll all be novices together!

Thank you for donating the assorted small gifts for the Outreach's nursing home "Christmas in July" celebration. We will be presenting what our two churches collected on **Wednesday, July 20<sup>th</sup> at 2:30 pm.** following the above worship service.

After the service there will be refreshments, friendly mingling, and the presentation.

Our July collection will support the **Migrant Head Start** program. We've learned from Lashonda Weeks, director of this program, that new toys and clothing for the children of migrant workers would be very welcome. This program serves a fluctuating number of children – usually around 50 - mostly from June to October, and the ages of those served are infant – preschool.

So we hope to be able to present them with some delightful and suitable new toys and practical clothing items. Please consider donating.

In August there are always fresh new teachers arriving in Northampton County, and the school system provides a week-long orientation which includes lots of talks and field trips around the county. We will be providing lunch for these newcomers on **Tuesday, August 16<sup>th</sup> in the Hungars Parish House.** Church members are invited to attend and help give them a good welcome.

There will certainly be a forthcoming invitation to help provide some delicious elements of the meal. Save the date, and stay tuned! Diane Crockett is our liaison with the public school system.

## FOUNDER'S DAY

Thank you to all that made Founder's Day a great celebration. The combined service at Hungars was blessed by the songs of our choir with two anthems and a closing blessing. It was great to have Kathy Kutz back for the day to fill the sanctuary with her gift of music.

A great time socializing followed at the Hungars Parish House of sharing food and fellowship. Jack Wescoat shared the history of his family at Hungars' Glebe.

Next year in 2023 will be the 400<sup>th</sup> anniversary of the founding of Hungars Cure. A committee is working to make this a time to remember and would like to have your ideas on what would make it special.

## HUNGARS CURE 400<sup>TH</sup> B-DAY

We are recruiting members to meet and plan the 400<sup>th</sup> birthday founding of Hungars Cure Parish. We are focusing on activities during the weekend of Founders' Day 2023. Please come **Thursday, July 7th, 11:00 a.m. at Christ Church**

**Parish House** and help us plan for this exciting time of celebration.

## THANK YOU CHOIR

The choir is taking a well-deserved summer break. Thank you for enhancing worship and glorifying God this past year. It is always a pleasure to hear the anthems and be a part of praising God through voice, led by our beloved Choir Director, Lou Negretti.

Rehearsals will begin again in September with a specific date to be announced later.

## THANK YOU MUSICIANS

A special thank you to all that have played organ and piano over the past month at Hungars and Christ Church, Jerry Freund, Don Ruthig, Lee Jordan

Anders, and Kathy Kutz. We are still working diligently to cover the worship services at Hungars and Christ Church.

Please keep the music and our worship in your prayers in both churches.

## SAFE CHURCH TRAINING

*Safe Church training is grounded in our call to seek and serve Christ in all persons and respect the dignity of every human being.*

Creating safe spaces in our worship communities is a ministry that we all share. Our shared efforts to be aware, educate others and respond effectively provides opportunities to increase and enhance our ability to live out our Baptismal Covenant within our communities of faith and in the world beyond. The safe church policy is the core foundation that informs our efforts to create safe spaces in our worship communities.

For all members that have been notified of their need for this training, I hope the above will help in understanding the importance of complying with the Diocese training.
