1	Questions	Eastern Shore of Virginia Habitat for Humanty	Northampton Social Ministries
2	What are the sources of your funding?	Personal, Business and Church donations; Mortgage payments from existing homes; fundraising events. United Way grants.	Local churches and individuals. Also an annual grant from the Catholic Diocese of Richmond.
3	What is your mission?	ESVHFH works in partnership with God and people everywhere to build simple and affordablehouses in decent communties.	To assist Northampton County individuals with short term financial needs arising from unexpected circumstances (such as illness or unexpected repairs). Individuals in financial crisis who might visit local churches to seek assistance can be directed to NSM where the resources are pooled and there is a formal application process with input from the Department of Social Services. Help is limited to \$300.00 once every two years. Counseling and referrals to additional resources are offered.
4	What do you need?	Money for building, land to build on and volunteers to help build. Donations of building materials, furniture and appliances are always needed at the ReStore	Financial support. Always welcome more volunteers to assist with interviewing clients and helping with applications.

7	Other info or comments	Since ESVHFH beginnings, Hungars Church has covenanted to provide prayers. volunteers and funding.	<p>The coronavirus pandemic has caused our ministry to operate via telephone calls with clients to complete applications, rather than meeting face-to-face at the Dept. of Social Services. Applications for aid this year (2020-2021) have decreased significantly since landlords are legally constrained from evicting tenants and since ANEC (local electric utility) has committed to continuing service to those customers who fall behind on bill payment. Rent and electric bills are the usual reason clients have sought help from NSM. We expect that when/if we get past this extraordinary time, there will be an unusually large number of applications for assistance.</p> <p>In 2020, the Eastern Shore Community Foundation gave NSM a grant to administer which would allow those needing to isolate due to the coronavirus to have motel bills paid for up to 3 weeks. This was chiefly intended to help the homeless in Northampton County, but it has been used also to help families with inadequate space to provide separation between ill members and vulnerable others.</p>

1	Eastern Shore Coalition Against Domestic Violence	ARC of the Eastern Shore	Eastern Shore Area Agency on Aging/ Community Action Agency
2	State and Federal grants. Level funding so far in the budgets of Accomack and Northampton Counties (considered part of public safety). Donations from individuals (10%), United Way, Eastern Shore Community Foundation.	Annual Fish Fry & BBQ and raffles.	State and Federal funding
3	ESCADV 's mission is to provide support and empowerment to domestic and sexual abuse victims, and provide programs that increase awareness and prevention in the community. The vision is that every person is empowered with the right to be safe and free from domestic and sexual abuse.	To support efforts of ESCSB working with the intellectually disabled. These citizens work at the Vocational Center in Exmore, and the green house in Belle Haven. Also to foster community engagement.	To provide and offer high quality and integrated human services for families at all stages of life, that address their unique needs (such as issues of aging health housing, nutrition and nutrition, transportation, education, employment, economic opportunity and community development) and link them with resources in our community.
4	Volunteer help, both short term and long term. Financial donations. Paper products, cleaning supplies, and non-perishable food items (items that could be prepared in a motel room equipped with a microwave oven.) Full size personal hygiene products. Pots and pans and other items for setting up housekeeping.	People tp help with the Fish Fry in August. They serve 400-500 meals at \$10 each. Volunteers are also needed for Summer day camp the second week in June 9am-2:30pm; help with kitchen, crafts and other.	Computers or tablets and technical assistance.

5	<p>This hasn't happened yet, and director reports that board of directors maintains a "rainy day" account which might be tapped into. CADV has never turned a person in need away. They have a duplex with 2 2-bedroom units, which ordinarily can house 4 family units or individuals (during covid-19, can only house 2 family units). They also pay for motel stays when necessary.</p>	<p>There will be no way to provide activities for the clients, or materials for the use of the clients at the Vocational Centers. Summer camp would also be in danger.</p>	<p>Because of COVID-19, seniors are isolated from others. Computers are needed to provide virtual interaction and communication with others. This would combat depression and provide a way to socialize as well as educate.</p>
6	<p>Shelley Strain, Executive Director, sstrain@escadv.org; 757-787-1959; office-155 Market St. Onancock, VA 23417, Board of Directors is a working board with 8 members.</p>	<p>John Downng- ARC Treasurer, 757-787-7891; Kathy O'Keefe-ESCSB Development Director-757-442-3933 x411 or email-kokeefe@escsb.org.Suzanne Joyner, part time offive manager 757-442-3312; email arc.esva@verizon.net.</p>	<p>Tiffany Smith, Director of Aging 757-442-9652, ext 19. There are two Senior Centers, one in Northampton County and one in Accomack County. Address 5432 Bayside Rd., Exmore, VA 23350.</p>

1	Lighthouse Ministries	Accomack Northampton Pregnancy Center	Dos Santos
2	Local churches and individuals, civic organizations, United Way. Approximately 50% of Lighthouse Ministry's support comes from its used furniture store at Four Corners in Onley, its Thrift Shop in Onley, and its stall at Blue Crow Antiques.	Churches and local people who believe in the mission. One grant from Catholic Diocese of Richmond "Respect Life" grant funds helps fund the parenting program, a marketing campaign, and has helped center and staff to be certified as a Reproductive Grief Center. Has 2 major fundraisers each year: Walk for Life and Laugh for Life.	The majority of our funding comes from individual donations, ranging from \$20 to \$1500. Also churches have donated, and we received a \$3500 Pandemic grant from The Community Foundation.
3	"In response to God's blessing and direction, we, at Light House Ministries, have as our mission the provision of sustenance, shelter, and spiritual guidance to those in need." Light House Ministries offers help in many ways to for many in need, but chiefly it maintains 2 houses in Keller which provide transitional shelter for men, women, and families.	Acknowledging that every human life begins at conception and is worthy of protection, The Accomack-Northampton Pregnancy Center offers compassion, hope and help to those in our community who are making a decision about an unexpected pregnancy in a safe, non-judgmental environment. We provide ongoing spiritual, emotional, and practical support that promotes life-affirming choices and thriving families.	To serve immigrant and farm worker communities in Accomack and Northampton counties. We believe that feeding the hungry is not only something we ought to do but also something we must do.
4	Financial support is always needed and welcome. In addition, donations of food, hygiene products, and cleaning products are welcome. Donations at Light House Ministries used furniture and clothing stores are welcome.	Donations of money, baby items (new and very gently used). Toys and books at Christmas. Volunteers to help with specific tasks. Prayers.	We prefer to purchase food ourselves, but do accept food donations. Each family gets the same items, with bigger families of 6,7 & 8 receiving double portions. A \$17 donation covers the food given to a family of 5. We could use volunteers helping the food loading, packaging, and distributing. We also accept donated clothing.

5	<p>If funding is inadequate, staff might be furloughed or sites consolidated.</p>	<p>This hasn't happened yet. This organization trusts that its needs will be met.</p>	<p>Our meager staples have been the only food some families get that week. For other families, our food supplements the bare necessities they are able to afford. We are one of the only food pantries dedicated to immigrants. They trust us. If we cannot help feed these families, many children will go hungry and the entire family will be in danger of having poor physical and mental health and potentially illness.</p>
6	<p>Gina Crockett (757-787-2535)</p>	<p>Linda Baylis Spence is the director, at 787-1119. Board of Directors: Dr. Al Hall, Sarah Shotwell, FNP, and Mitsy Fitchett.</p>	<p>Betty Mariner thepmariners@gmail.com 757-442-7215 / 757-710-4352</p>

7	<p>The coronavirus has made this an extremely challenging year (2020-2021). The stores which are a significant source of funds had to be closed for several months, and revenue has fallen significantly. (Currently, weeks of inclement weather are keeping customers away, Gina says).</p>	<p>Funding much decreased this year due to cancellation or cut-back of fundraisers.</p>	<p>My fear is that we do not do enough to help these families. We exist on donations. But God does provide. During the last snowstorm, the Food Bank was closed. I had no meat for the families. Two hours after I got that information, I also got a call from a church across the Bay with an offer of help from their FOOD RELIEF program. Through that program we were able to give each family 3 pounds of meatballs, dairy products and fruit. It was an immediate answer to my prayers. A modern day miracle.</p>
